

SP6004 A SERIES

A series adopts UWB wireless communication technology. It can match with different models of mobile phones or tablets. Simply designed with geometric beauty, which is purely for delivering perfect customer experience.

1 Highly accurate spatial and directional data with a smaller stand

Adjustable warning distance and alarming with simultaneous alarm system

3 Convenient shaft design for removing the high-quality adhesive on the back

4 2.4GHz new generation remote control without dead angle

Specification Parameters

- Product Number: SP6004
- Sensor: 45*32*8.1mm
- Material: ABS
- Stand Size: 17*66mm
- Output / Charging Capability: 5.5V
- Alarming Response Time: < 500ms
- Disarm Alarming Distance: $\geq 3M$

SP2061 Δ(DELTA) SERIES

Δ(Delta) Series provides the powerful physical protection, which increases the merchandizing security level as much as possible and obtains maximum protection at a lower cost, simple, stable but effective.

1
Combination of two-core steel wire rope and physical cable puller

2
The width of the metal clip can be adjusted to suit different commodities

3
Tightening automatically the steel wire with a small cable roller

Alternative option for wall-mounted installation

Specification Parameters

- Product Number: SP2061
- Dimension: 65*53*118mm
- Material: ABS+ZincAlloy
- Cord Pull: Two-Core Steel Wire Rope
- Tensile Strength: $\geq 100\text{kg}$
- Wire Life: ≥ 50000 times
- Wire Length: $\geq 70\text{cm}$

SP7200 OCEAN SERIES

Ocean Series is aiming at meeting customers' demand for all kinds of small electronic devices with one product, besides cell phones and tablets, just replace it with different acrylic tops, you can also show such as toothbrush, shaver or apple pencil etc. As its name, it is so inclusive.

1 Flexible to show two products with dual-port centralizer

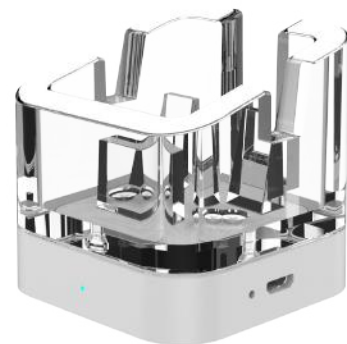

2 Non-slip design make the commodities display easier

3 Charging in time with the blinking blue battery indicator

Specification Parameters

- Product Number: SP7200
- Dimension: 50*50*52mm
- Material: ABS + Acrylic
- Color: Frosted White + Transparent
- Alarming ResponseTime: < 500ms
- Battery Standby: ≥ 48H
- Disarm Distance: < 30cm

SP2055 SPACECRAFT SERIES

Spacecraft Series is a multi-function anti-theft product, the inverted T-shaped pallet hidden under the platform has a better fixing effect. When the commodity get back to the platform, it looks like a landing spacecraft which left no traces.

Equipped with fixing screws and anti-theft screws, bracket adjustment are accepted

Four alarming trigger to indicate the separation or disconnection problems

Pull box design making wires less mess

Alternative option for wall-mounted installation

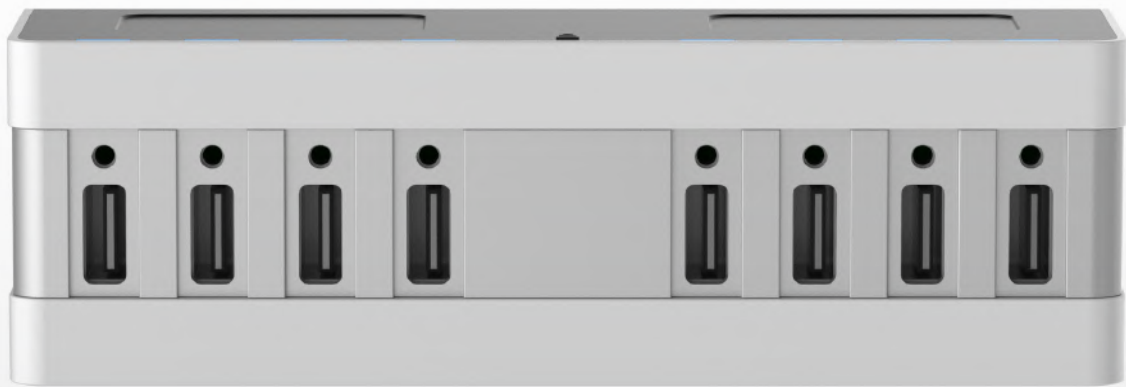

Specification Parameters

- Product Number: SP2055
- Material: ABS
- Dimension: 166*75*127mm
- Cord Pull: Two-Core Steel Wire Rope
- Tensile Strength: > 35kg
- Battery Standby: ≥ 48H
- Operating Voltage: 5.5V

187 5832 6319 | chenlong@manytag.cn | 6th Floor, 27th Bldg, No.808 Wen Er Xi Rd, Hangzhou 310000, China

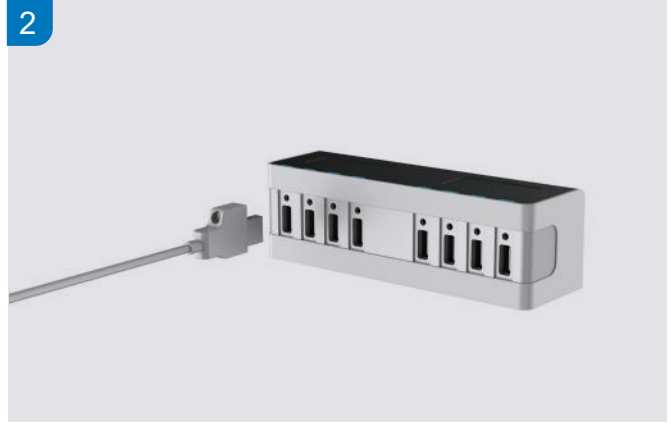

SP3104 GALAXY CUBE SERIES

Galaxy Cube Series equipped with self-alarm protection cable, maximally total eight pieces of products can be protected by the centralizer, reducing significantly the installation's cost and difficulty.

1
Compatible with external IR receiver and IR remote control

2
One centralizer supports eight commodities at the same time

Specification Parameters

- Product Number: SP3104
- Product Size: 145x45x45mm
- Operating Voltage: 5.8V
- Recharging Current: $\leq 1.5A$
- Alarming ResponseTime: $< 500ms$
- Battery Standby: $\geq 48H$
- Charging Power: 1000mA Each Port
